**Journal of Desalination and Water Purification**

The International Journal on the Advanced Technologies in Desalination and Water Treatment  
Published from Malaysia by Ababil Publishers

**Aims and scope**

*Journal of Desalination and Water Purification (JDWP)* is a fast track international journal publishing peer-reviewed papers on the advanced technologies in desalination and water treatment to cope with water demand, including sustainable sources of potable water.

The journal includes, but is not limited to, the following topics:

Desalination, renewable energy, heat and mass transfer, thermal, membranes, coagulation, sedimentation, energy, energy recovery, seawater, brackish water, environmental impacts; health considerations; risk assessment; cost, performance, water purification, water quality, water treatments, environment, leachate; wastewater, greywater, rainwater, stormwater treatment and reuse; industrial, agricultural and environmental applications; quality aspects; design and application of water reuse systems; economic, social and policy issues; surface and ground water sources.

**FREE OPEN ACCESS JOURNAL. PUBLISH QUARTERLY. 30 DAYS TO PUBLISH.**

**Paper types**

*Journal of Desalination and Water Purification (JDWP)* welcomes theoretical and experimental research as Full Text Papers, Short Communications, State-of-the-Art Reviews and Letters to Editors. Short Communications should be concise and novel with advanced knowledge that warrants speedy communication to the readership.

**Peer review statement**

All papers published in this journal are subject to initial editorial screening (by editor(s)) and if found suitable for further consideration to extensive double-blind peer review by independent and anonymous expert referees (at least two referees).

**Fee**

No publication fee (APC – Article Processing Fee) for publishing with Ababil Publishers in 2015-2017.

**Submit article**

1<sup>st</sup> submission to this Journal: "YOUR PAPER-YOUR WAY" and "NO PAGE LIMIT".

It allows authors to submit their papers without strict formatting on text or referencing requirements.

Authors may send a word file includes main text, figures and tables; or 2 word files for main text, figures and tables.

For submission: [amimul@upm.edu.my](mailto:amimul@upm.edu.my), [jdwp.editor@gmail.com](mailto:jdwp.editor@gmail.com)

**A STANDARD FORMAT IS ONLY SUPPLIED AFTER ACCEPTANCE OF A MANUSCRIPT.**

**Subscription**

Online first publication process has dramatically reduced time to publish.
